Stella Maris 1983
Mary Star of the Sea High School
Volume 26

1982-1983 Contents

September 1982 marked Mary Star of the Sea's thirty-first year as a Catholic high school dedicated to encouraging an individual's ability to learn, grow and prosper within and outside of an academic environment.

The 1983 Stella Maris staff chose pictures and themes that best illustrate the "true spirit" of MSSHS. We have added new sections, 50 "star-struck" pages and a unique cover-all of which we feel have made this annual one of the best ever. It is with great pleasure that we invite you to encounter . . . "AN ADVENTURE AMONG THE STARS".

On January 6, 1958, Mary Star of the Sea High School hired a full-time librarian, Mrs. Maryann Tavernier. We proudly dedicate the 1983 Stella Maris — "Among the Stars" to Mrs. Tavernier. This twenty-sixth volume of the yearbook is in honor of her Twenty-fifth Silver Anniversary at Mary Star.

Mrs. Tavernier has been a source of guidance, knowledge and encouragement to the student body. She is a devoted and dedicated individual who has been an inspiration to students, as well as to the faculty and staff. We all feel blessed having been able to know her and work with her.

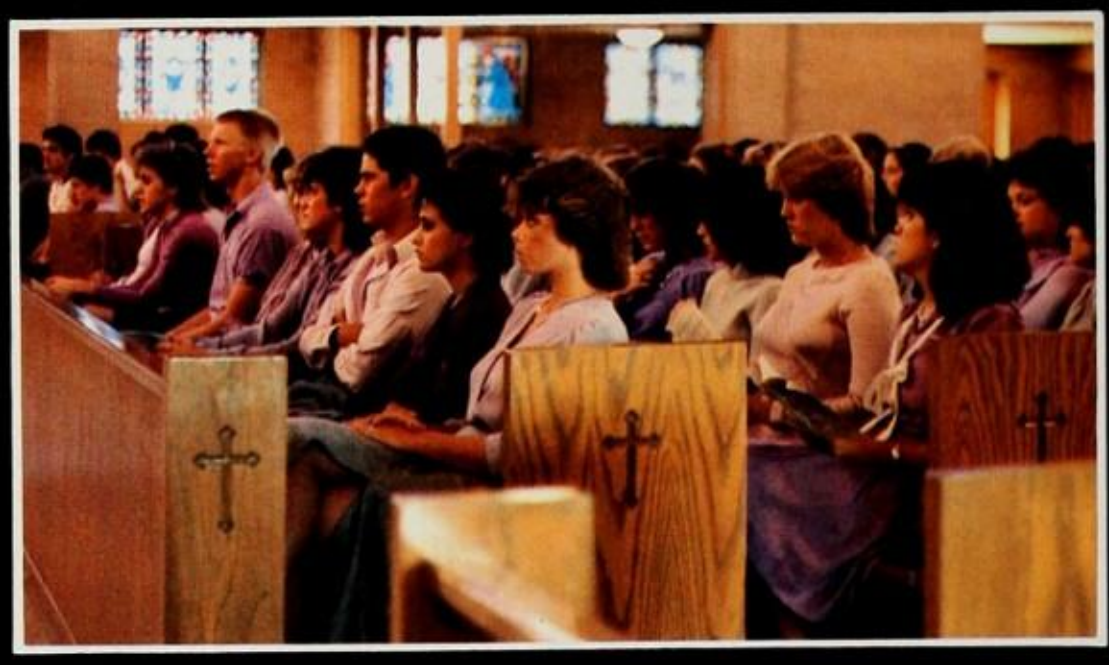
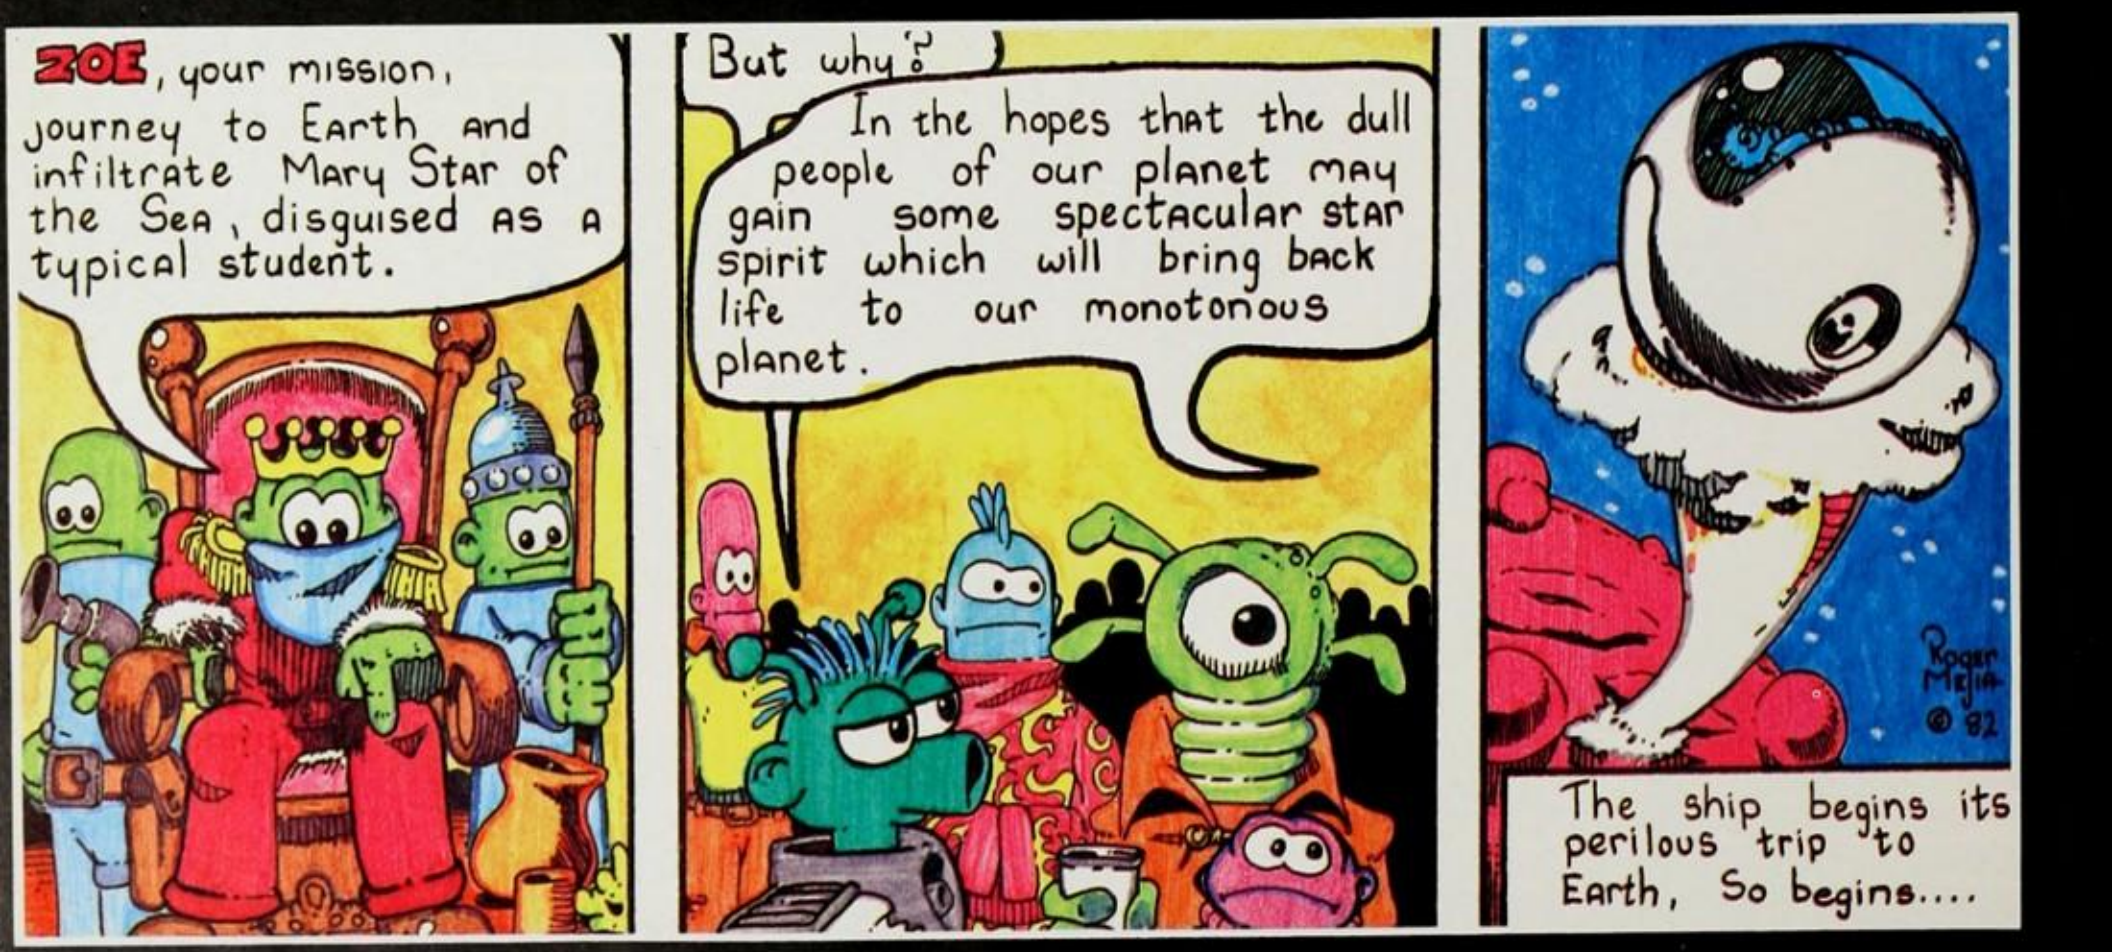
Being a Senior
Means Being at the Top . . .





ZOE, your mission, journey to Earth and infiltrate Mary Star of the Sea, disguised as a typical student.
But why?
In the hopes that the dull people of our planet may gain some spectacular star spirit which will bring back life to our monotonous planet.
The ship begins its perilous trip to Earth, So begins....
Roger Mejia © 82

The Ambitions of 1983 have been characterized by many unique and diverse personalities. Led by Lisa Sardisco (Senior Class President), Melissa Rados (Secretary/Treasurer), and Cindy Galesic (Spirit Commissioner). Seniors broadened their horizons as they looked forward to the future.

Among the various activities planned, Seniors staged the traditional Color Day, Winter Formal, and monthly get-togethers with their "little brothers and sisters" — all of which added an overall feeling of unity.

The Class of '83 will always have a sense of pride, spirit and dedication towards Mary Star of the Sea High School. We are "SENIORS", in every aspect of the word, united in love, friendship and "true spirit" . . . May we always hold the memories and dreams once shared together, the closeness experienced by good friends and the happiness of our lives at MSSHS.

Sometimes I wonder where i've been,
Who i've seen and will go there again,
Things move so fast, and people seem to come and go,
I only want to slow down, just to stop and grow.
Some one once told me, "hold on" — no matter what that means — and . . .
"Don't let anyone ever steal your dream."
For that dream is yours — you many someday share it,
But for now hold on, and keep it, it is yours alone to cherish.
You can make it come true by only holding on —
And sometimes that's the hardest because everything is going wrong.
But no matter how bad it is, or how bad it may seem —
"Don't let anyone ever steal your dream"

By Paula Hussey

"Life can be so meaningful, when you finally see, that only in His love, will you be really free . . ."

Sept. '82-June '83 — Mary Star of the Sea High School

Crowd Pleasers

1982 showed a lot of changes — bright new faces emerged on the scene, and many familiar ones moved on. Loss of teachers, counselor changes, and crowded hallways made themselves evident. Several new organizations were founded, which offered students a variety of choices. All of this provided a sense of enthusiasm as it began a year that would be filled with treasured moments. During lunch, students take time out of their busy schedules to pose for the camera.

"Friendship shares the spirit of the sky and the splendor of a new day."

Anonymous

"The most exciting moment of the school year was going to Coco's after the game and fitting 10 people into a 4 seater booth."

Paula Manzella

Hey look, a new kid's in school.
What a freak!
My Gosh he's all punked out!
Well what are yu? Yu aint a senior. Are yu a freshman, Sophmore, or a junior?
No, I'm a FERVENITE.

Student Life

A student's life in school is absolutely nothing. Simple routines of the school day far surpass the physical limits of MSSHS. It is our friends, our teams, our clubs, our events — our LIVES!

"Student Life" finds us in search of ourselves. Learning, loving, laughing, and crying — there is nothing like the time we are living.

JUNIORS

If you were granted one wish, what would it be?

"A new jeep" — Peggy Biazevich

"To pass my Algebra II class with a good grade." — Amy Hershman

"For a champion Varsity Baseball Team." — Paul Galletti
"10 million tax free dollars!!!" — Anonymous

On the eighth day, God created those very "unique" and crazy individuals who He brought together and gave the title "Juniors". He knew they needed leaders who would represent them and fight for them in times of depression and despair. God asked the Juniors who they felt were the most responsible. Vito Russo, Wendy Redlew and Reneé Marinkovich were chosen. They were the most "down to earth". To distinguish them from all the others, they chose the colors pink and gray and the song "Goodbye" to represent their class. This year, our Junior year, we have grown, found out who we really are, and more important, who others are. Yes, I'm sure we will all agree, our Sophomore year was tough. We were constantly being blamed for everything, and there were a few who had to be pointed out. But . . . we are stronger now and are pulling together, becoming closer as friends and "lunatics". As Juniors themselves would put it — "WE'RE TOTALLY AWESOME!!!"

"Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to? Do you know . . .
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for? Do you know . . .
Once we were standing still in time
Chasing the fantasies that filled our minds.
You know how I loved you but my spirit was free
Laughing at the questions that you once asked of me . . .
Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to? Do you know . . .
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for? Do you know . . .
Now looking at all we planned
We let so many dreams just slip through our hands.
Why must we wait so long, before we see,
how sad the answers to those questions can be . . .
Do you know where you're going?
Do you like the things that life is showing you?
Where are you going to? Do you know . . .
Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for? Do you know . . ."

The newest addition to the school — yes, it's us, the Freshmen! Just starting out in high school is a challenge and a big transition from grammar school. We're not the oldest anymore, but again the youngest. It's not closets but lockers! It's not the same faces we've seen for eight years, but new ones, the ones who are our new and possibly life long friends!

This year, our freshman year, is the foundation for our future friendships, which during our four years at Mary Star. We are always hassled because we're just "the little freshmen." We may act different, but that's okay because that's who we are, and we're having fun! To represent our class, our colors are baby blue and white, our song is Always and Forever and our officers are Gina Martinez, Francine Giardino and Karen Schueller.

"Always and Forever, each moment with you, is just like a dream to me that somehow came true. And I know tomorrow, will still be the same 'cause we've got a life of love that won't ever change.

Everyday, love me your own special way. Melt all my heart away with a smile. Take time to tell me you really care and we'll share tomorrow together. I'll always love you. Forever . . .

They'll always be sunshine when I look at you. Something I can't explain . . . Just the things that you do. And if you get lonely, phone me and take a second to give to me. That magic you make.

And everyday, love me your own special way. Melt all my heart away with a smile. Take time to tell me you really care and we'll share tomorrow together. I'll always love you.

Ever, ever, loving you. Is a thing that I've planned, for a very long time, you and me, me and you, we as one love together, for a very long time, loving you. Always forever, love you. Forever, love you, love you, ever and a day and one day, loving you, just loving forever. Tomorrow's tomorrow ever and a day."

SPIRITUAL AWARENESS

Throughout the school year weekly prayer services and several liturgical celebrations were held for the student body of Mary Star. Preparation for the services was the responsibility of different organizations and classes. Students chose readings, songs, and biblical sayings which emphasized the continual need to respond spiritually to our faith. During the celebrations the student body participated in the singing of hymns which were led by Mr. Joseph Cottone and choir.

The Associated Student Body organized the 25th Anniversary of our devoted librarian, Mrs. Maryann Tavernier on January 27th (shown). This celebration provided an atmosphere of love, friendship and warmth in expressing our gratitude toward her dedication to Mary Star. Other liturgical celebrations were held on such occasions as Senior Color Day, Homecoming, Junior Ring Ceremony and during Christmas and the Lenten Seasons.

To me, Mary Star is a family of unique personalities representing the "spirit" in which the community of San Pedro has long been admired.

The most exciting moment of the school year was the Varsity Basketball Team winning their division.

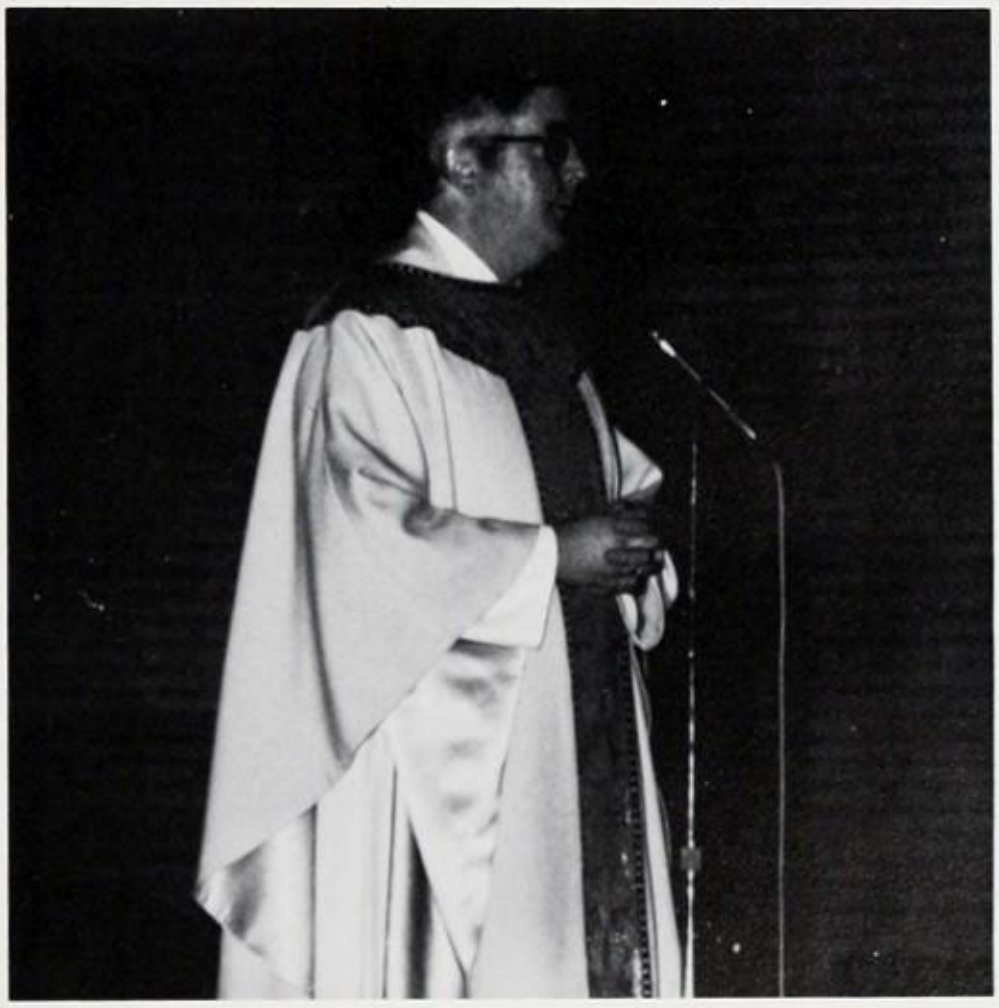
In his mind a man plans his course,
but the Lord directs his steps.
Proverbs 16:9

Our Teachings Come to Life . . .

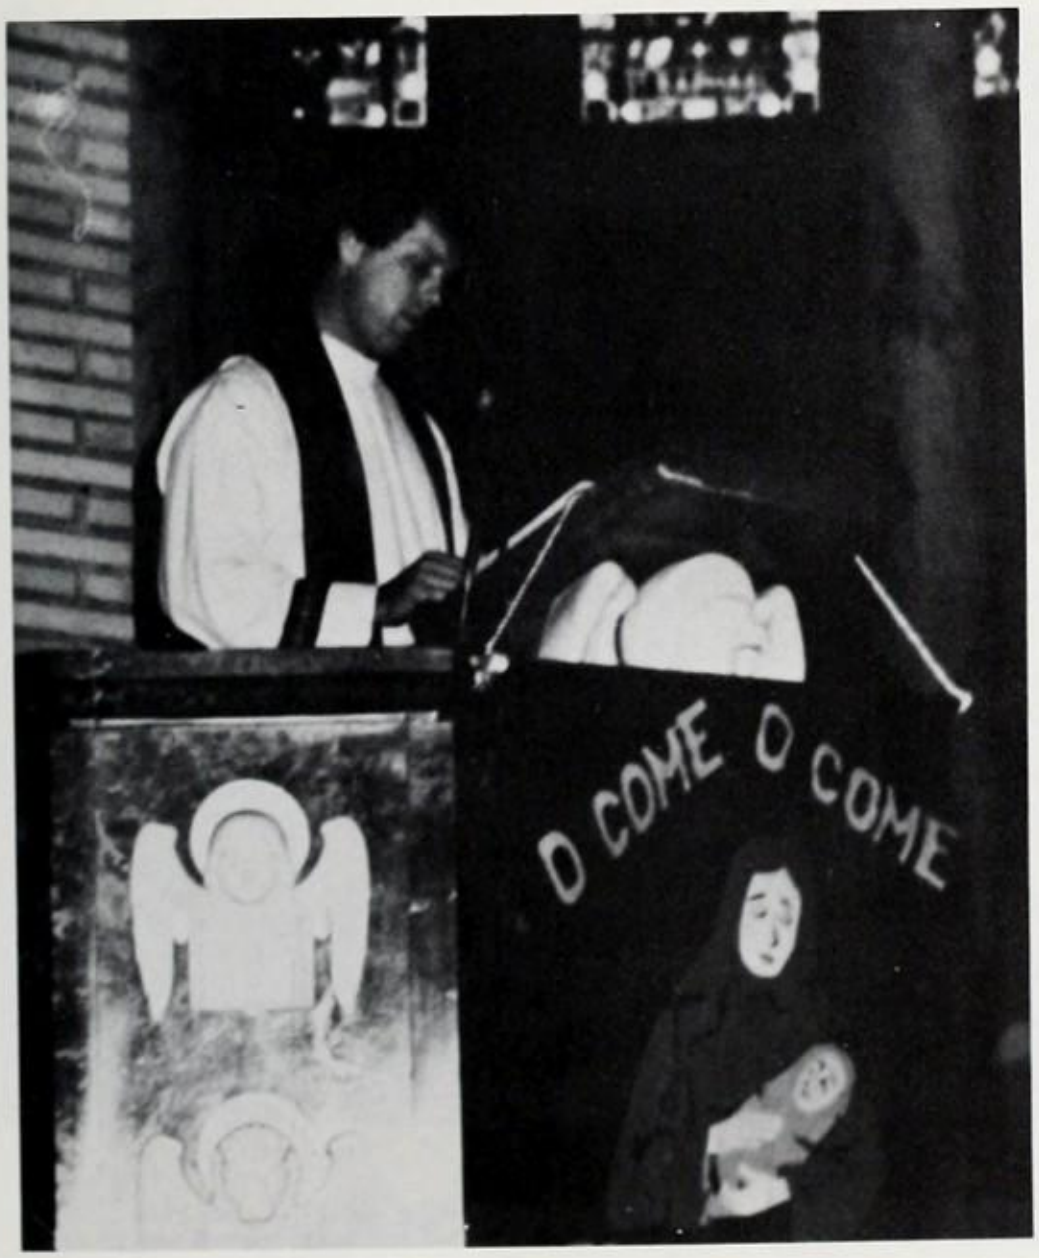


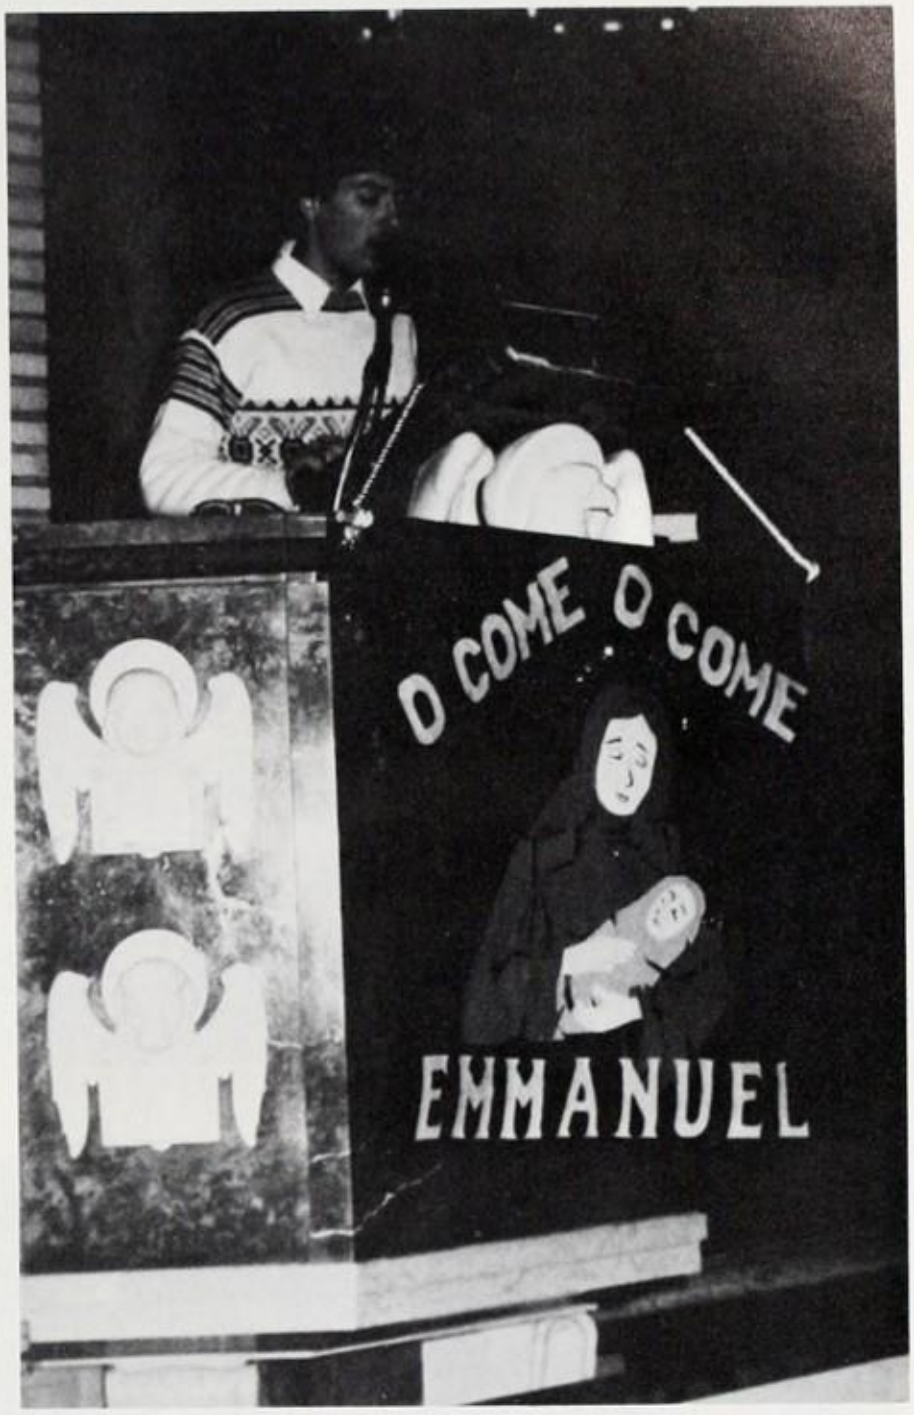
Being a Catholic school, Mary Star has many activities to enhance the spiritual growth of the students. These activities consist of prayer services, masses, O.P. corps, and it goes on and on. There are many chances for those students who wish to get involved to do so.

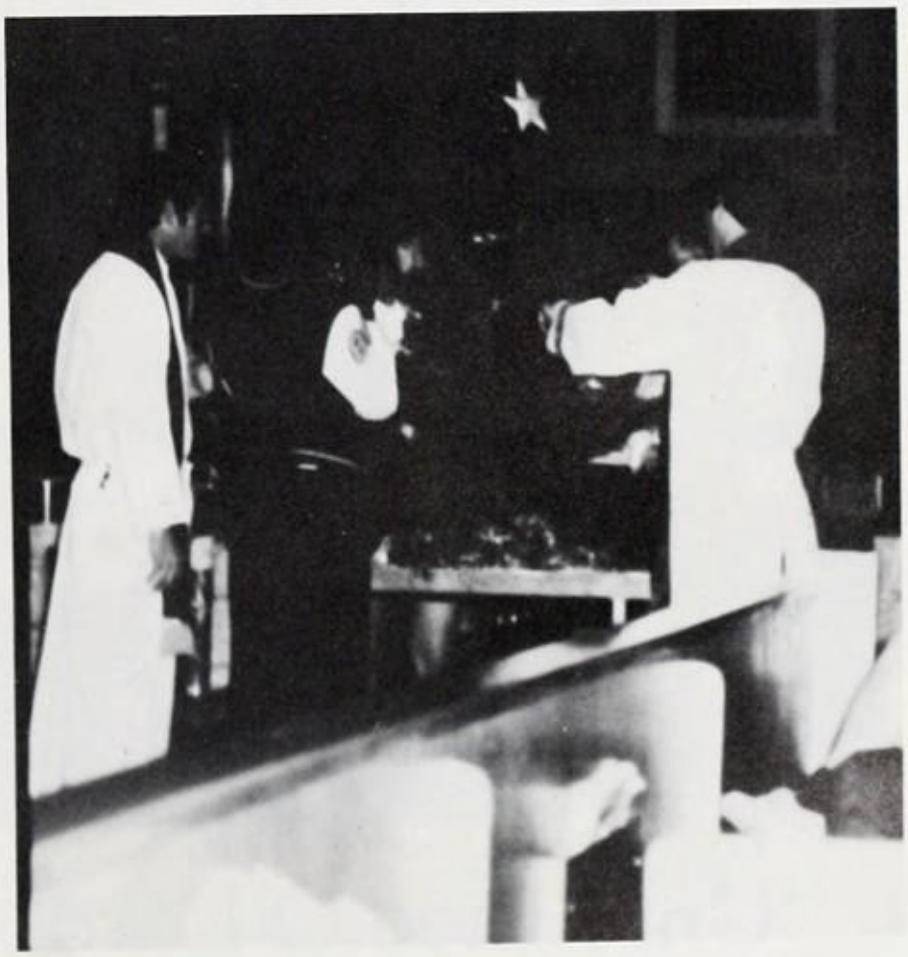
The spiritual activities in church are a big part of the teaching of our religion. These activities are what makes Mary Star a special school and sets it apart from all others. The students are eager to participate in these functions and do so freely.

"Let Your Light Shine for All the World to See . . ."

A big part of the spiritual growth at Mary Star are the weekly prayer services and masses. Christmas offered the best time to express our love for Jesus at the special Christmas Mass.

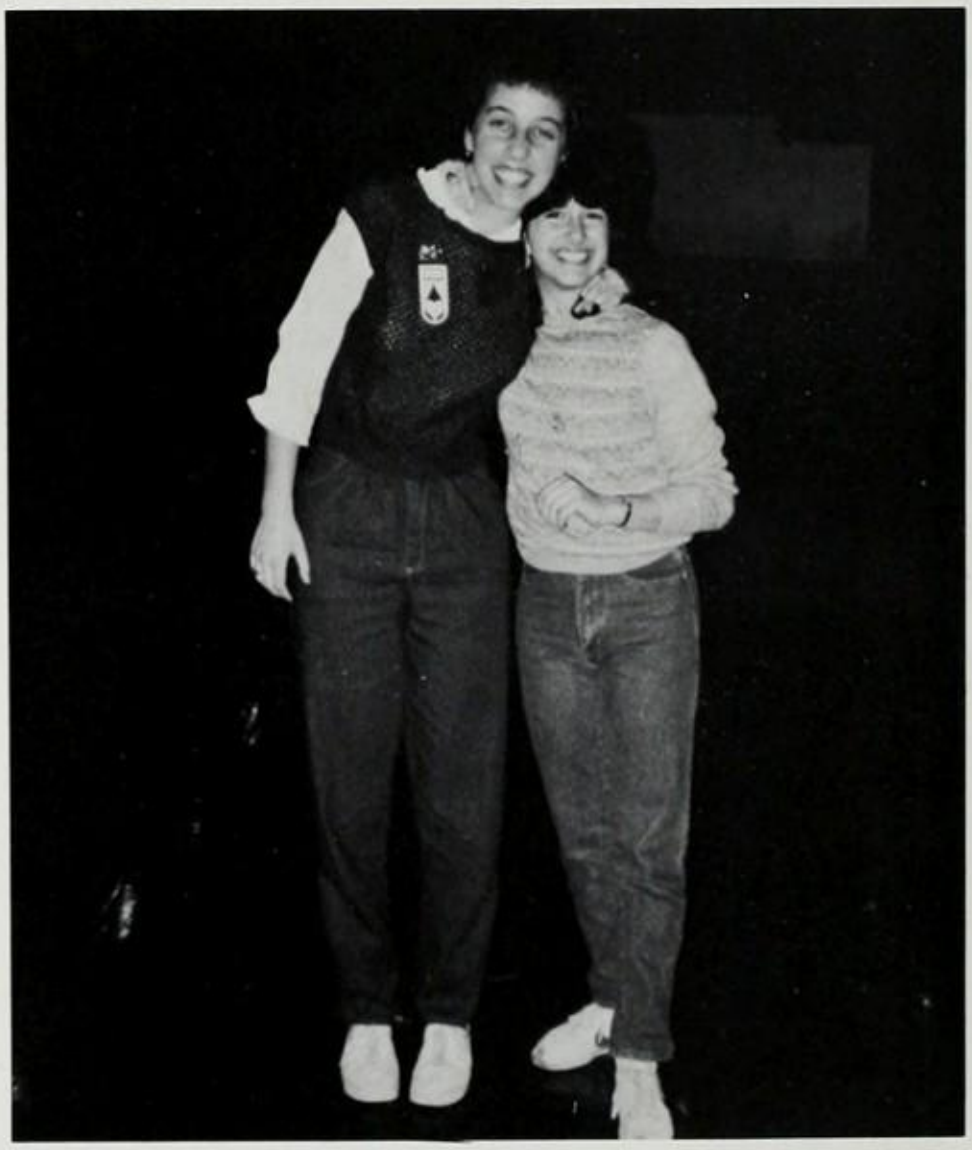




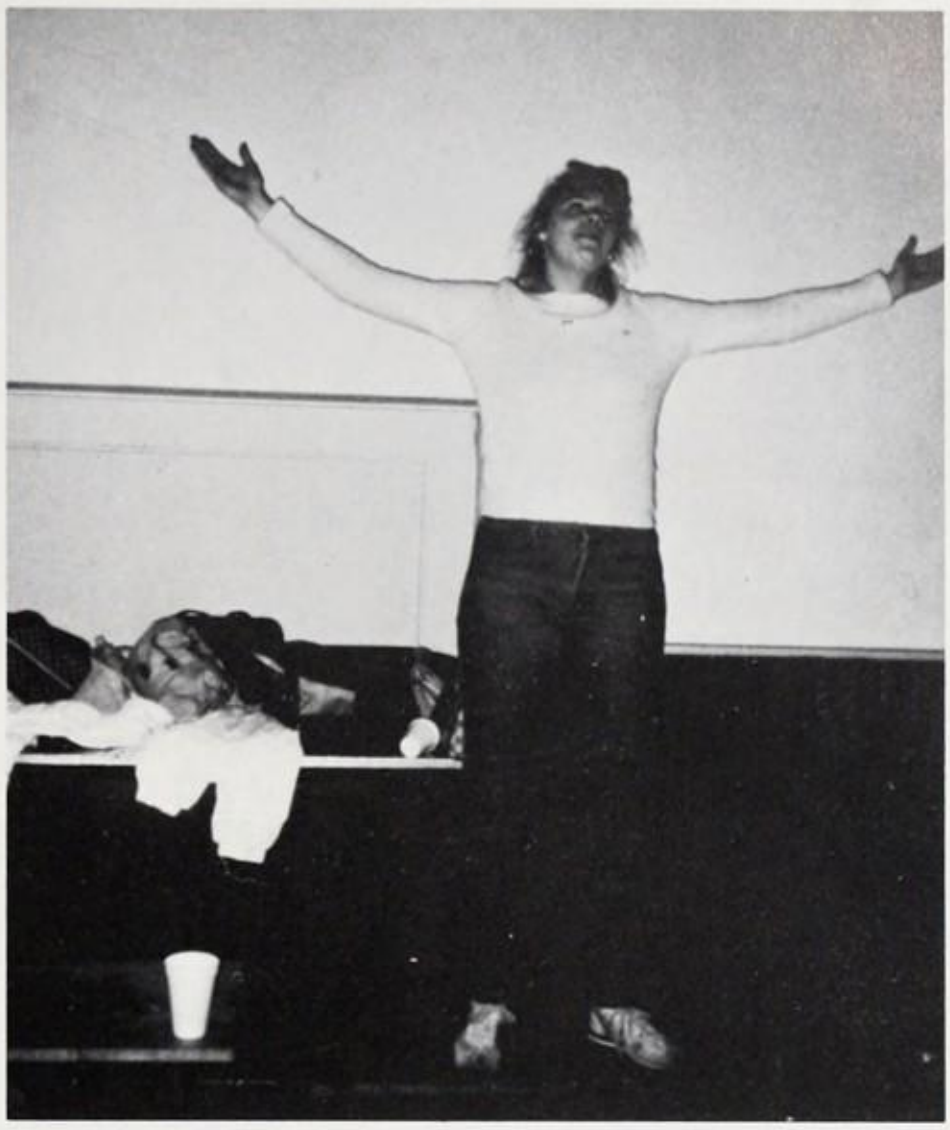


"Friends
are
one of
God's
Greatest
gifts
to all
of
mankind . . ."

I asked Jesus, "How much do you love me?" He said, "This much" and he stretched out his arms and died.



"Unto thee O Lord, do I lift up my soul . . ."



"Truly my soul warms upon God: from him cometh my salvations . . ."

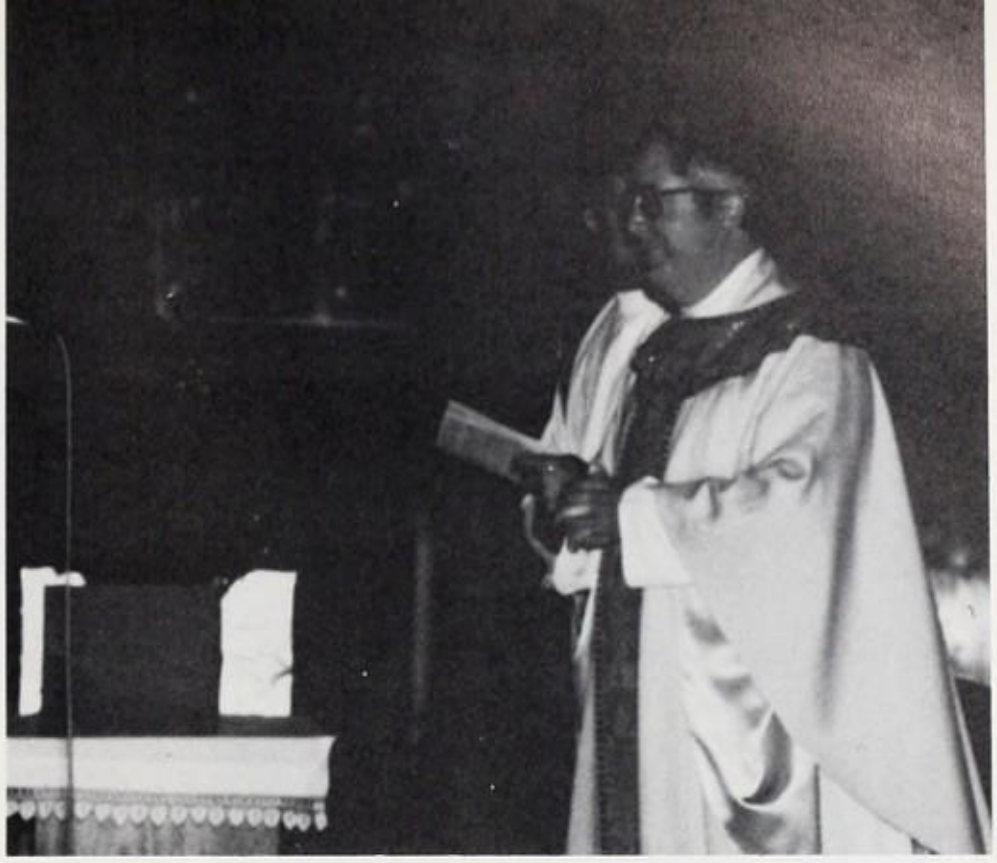
SAVE ME, O LORD

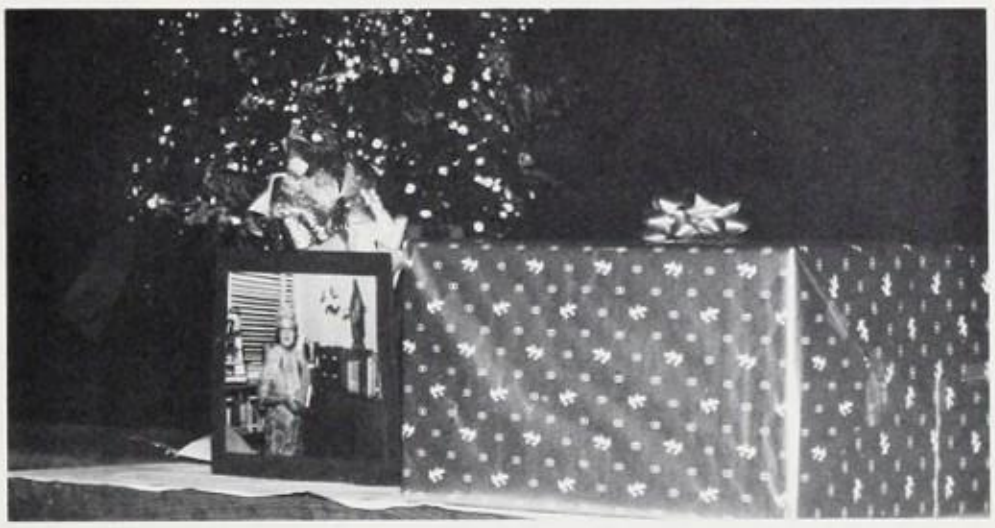
Be not afraid, I go before you . . ."

On January 27 we had the pleasure of honoring a very special lady. A mass was celebrated in the honor of Mrs. Tavernier. Mrs. Tavernier has served Mary Star as its faithful librarian for 25 years.

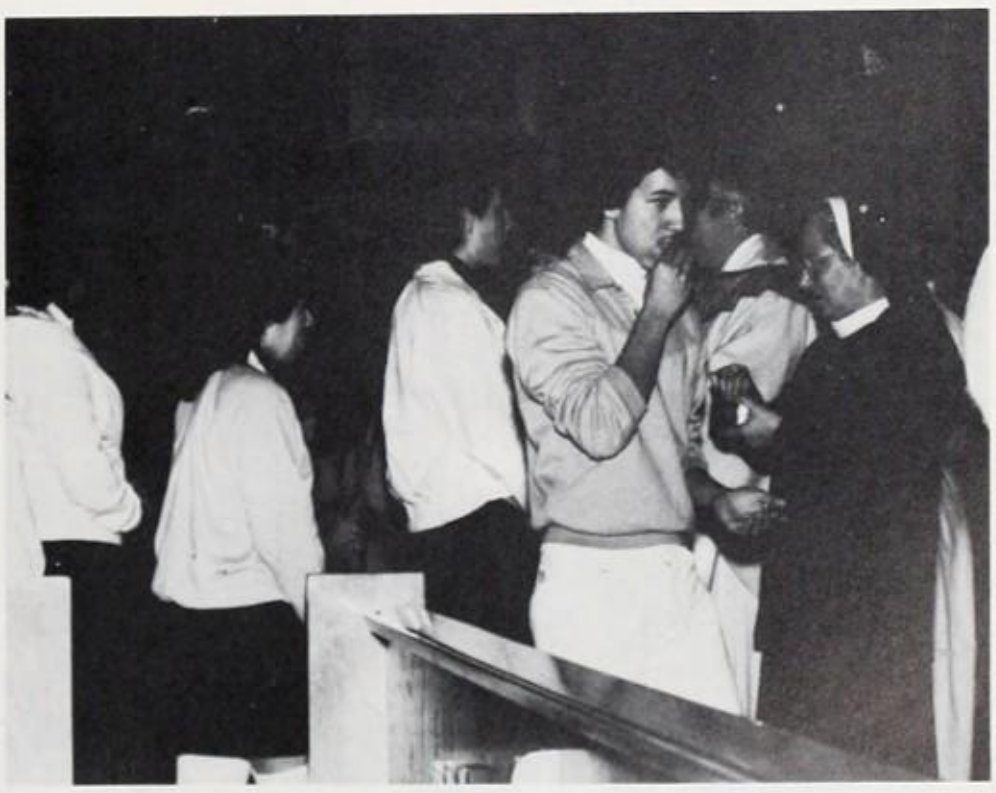
Her family was present at the mass and it was an enjoyable experience for all who were involved. WE LOVE YOU MRS. TAVERNIER!

"Lord make me an instrument . . .





All of the High School students were invited to share in the special day for our librarian and good friend, Mrs. Tavernier.



of your peace"

Quiet Study??

For those who didn't quite finish their homework the night before, break and lunch provides a time to get caught up or do some last minute cramming. Mary Fogel (pictured) can be found reading an intersting novel during Cal. History.

Future Plans

Senior year is full of post-graduation plans and decisions. Judy Cole (pictured) uses breaktime to think about her own plans, including her choice of colleges. Among most Seniors though, decisions change weekly, and it's usually not until mid-spring that any final plans are resolved.

Network Madness

1982 marked major improvements for MSSHS. Among these various changes, seven instructors were added to the multi-talented administration and faculty of our school. Hectic schedules, numerous hours of preparation for classes, and day to day problems are experienced by every teacher. Sister Joan Kiely (pictured) answers students questions during classtime.

When you first came
I loved you so
that I couldn't stand the time
we were apart —
you taught me how to love,
you gave me a responsibility,
you needed me;
and I gave all that I had.
But those days are slowly fading and
I love another a little more.
I can't have you both
and I'm afraid you made a choice.
You I can always count on
But him I'm not so sure
so please understand I must follow
my heart
but wherever it goes you'll be there.

The man I loved went
away
and someone put a stranger
in his place
he may look the same
and sound the same,
but I know this man is
different.
The man I loved was
gentle, kind, and giving
this man just isn't.
I wish God would return
what someone has taken
away,
so my heart will be full
again
and I'll be able to stay.

Let me run free,
Just me.
Oh please.
Let the time just freeze.

Let me run.
I'd have such fun,
Beyond the skies
Over there where the sparrow flies.

Leave what is real
Then maybe this aching heart would heal.
Don't feel bad.
It's not that sad.

Free
Beyond what you see,
Just me.

But how I wish it could be we.

If you need a shoulder, come to me;
I'll try to help you respectfully.
If you need some ears for you to talk,
come to me we'll take a walk.
If you need some love from just a friend,
come to me, mine won't end.
If you need a friend or someone near,
come to me I'm always here.
If you think you failed and can't go on,
come to me, I'll prove you're wrong.
If you search for love and just can't find,
come to me, I'll give you mine.
If you're all alone or feeling down,
come to me, I'll throw away your frown.
If you need to laugh to hide your fears,
come to me, I'll dry your tears.

Times of laughter,
Times of fun,
Thinking back
On things we've done.
Laughing, smiling
And hanging around
With friends we've known,
And friends we've found.

Remember then,
Look at now,
Moving along
As life will allow.
Images may fade,
As the years go by,
But the memories we have
Will never die.

Remember friends
With their special style
That brightened the day
With a simple smile.
A laughter, a cry, and even a tear
May pass through our minds
As we remember this year.

Together we've learned
Together we've grown,
Cherishing forever
The happiness we've known.

This school's been a place
We've shared as one
With the happy thoughts
Of things we've done.

Now the halls are empty,
The people gone,
But the sounds of memories
Linger on . . .

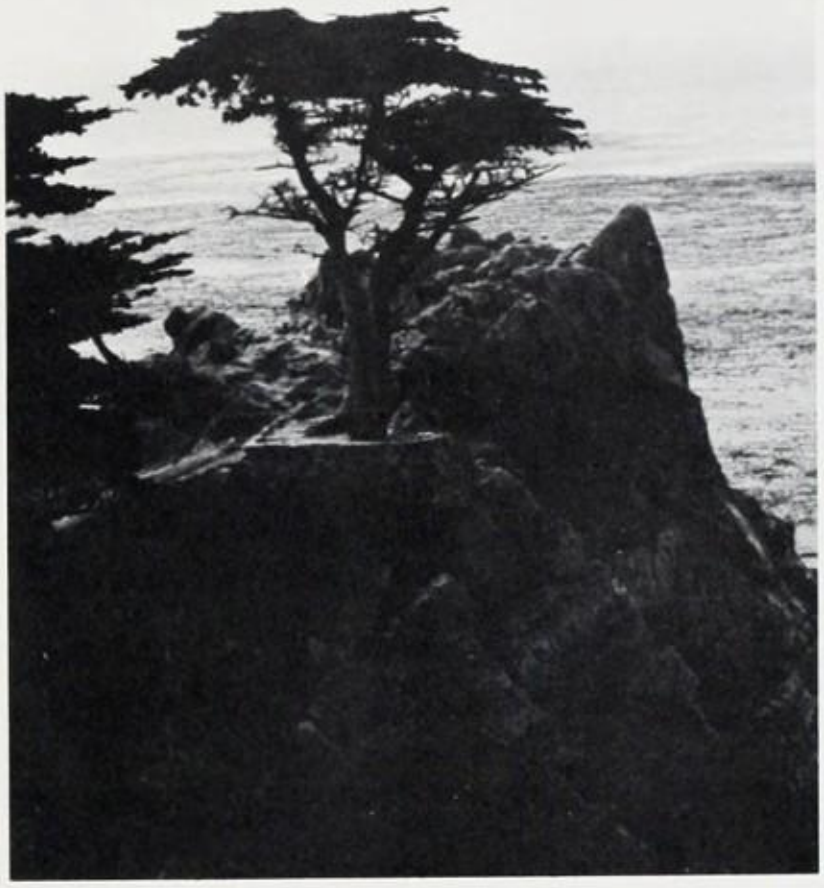
Class of '83



My friend, I hate to do it
But our relationship just can't last
The times we shared together
Have faded in the past.
The tide washed away our castle,
The rain washed away our dreams.
I guess that really proves them right,
Nothing is what it seems.

STARS EXPLORE THE MANY

Last summer, ten students from Mary Star had the unique opportunity to travel to Europe with Giovanni's Student Tours. They toured Europe by bus with forty other high school students from Southern California.

The various countries they visited included England, Holland, Germany, Austria, Italy, Switzerland, and France. For twenty-six days these students experienced the different cultures and customs of these foreign lands, many of which are different from those we have in America. For instance, they were required to pay the bathroom attendant before they were allowed to use the facilities.

Although all the students enjoyed themselves thoroughly, there were moments when they experienced sheer exhaustion brought on by marathon bus rides (the longest was ten hours), lack of sleep, and late nights out on the town.

Among the sites they took in were the Crown Jewels, the house of Anne Frank, the Cologne Cathedral, the Rhine River, the Vatican, Michelangelo's David, the Swiss Alps, the Arc de Triomphe, and the Mona Lisa.

Just about the only discomfort they experienced was in Italy due to the stifling Mediterranean heat. Even though there were some rough times, they were overshadowed by the enthusiasm and spirit of the students. Most will remember their travels with great fondness.

MOLIERE'S "THE MISER" PRESENTED IN MARION HALL

One of the highlights of the Fall semester was the MSSHS Drama Department's production of Moliere's "The Miser." (L'Avare) . On October 8th, 9th, and 10th, drama students staged the difficult Moliere work in Marion Hall. The show averaged a sell-out for all three evenings. "The Miser" featured a cast of fifteen which included Robert Koval as the spend-thrifty Harpagon; Paul Kaloper as the foppish son, Cleante; and Diana Andersen as Elise, Harpagon's daughter. Valere was portrayed by senior Richard Aceves; Marianne by Tara McArdle; and Frosine, the adventuress, by Wendy Redlew. Eric Binkley was featured in a dual role of Seigneur Anselme and Merluche, a servant. Andrea Amalfitano played the role of Master Simon, an intermediary. Cook and coachmen to Harpagon was Master Jacques portrayed by Andrew Acalinovich. Other servant roles were held by Julianna Roeland, Theresa Lerma, and David Sepulveda. Jerry Carnevale was the officer. Lighting technician for "The Miser" was Paul Hobus. "The Miser," under the direction of Joseph Cottone, was begun during a summer workshop. Much care was given to authenticity and detail of the seventeenth century work and Moliere's wit. Elaborate costumes and wigs were used. A temporary stage, which simulated a stage of Versailles, proved very effective in setting the play. Each evening truly gave an aura of a performance worthy of the Palais Royal.

DYNAMIC STUNTS

Homecoming 1982 was a spirited, fun-filled week celebrated with the theme: "Can't be beat". Freshmen had their first shot at showing their spirit by dressing in 50's style: poodle skirts, saddle shoes, jeans, t-shirts, etc. Sophomores, decked out in Western gear, sponsored the frozen-bubble gum chew. Bold flowers, bright colors, and grass skirts carried out the theme of Aloha Day for the Juniors, whose lunchtime activity was the water-balloon toss. For Senior Day, the Seniors dressed as nerds and participated in the obstacle course. Night activities included ice-skating, ice cream at Farrell's, and a car rally.

HOMECOMING 1982 . . .

The highpoint of this spirit-filled week was the crowning of the Homecoming Queen. As halftime approached, the cheering crowd anxiously awaited the announcement of who would reign as 1982 queen. The princesses, Laurie Bogdanovich, Maria Frka, Sandi Frka, Noelle Garcia, and Ann Lewis were chauffered around the field in shining new Fiats as the crowd shouted for their favorite princess. They were escorted up the red carpet by their proud fathers. The moment intensified and a hush fell over the crowd as Monsignor Kiefer approached the microphone with envelope in hand. A look of surprised excitement came over Noelle Garcia's face as she was announced 1982 Homecoming Queen. The other princesses happily congratulated her as she accepted the crown and bouquet of roses.

Street Phrase of the Year
"Hey bud, let's party!": Jeff Spicoli from Fast Times at Ridgemont High

A Year to Phone Home About

With Valley Girls (like) babbling, E.T. wobbling, and Tylenol poisoning, 1982 proved to be a most exciting, interesting, and shocking year.

It was hard to escape these three biggest media events of the year. Valley girls affected the way you talked and dressed, E.T. was the movies you just *had* to see, and a Tylenol joke was dropped everytime you complained of a headache!

New Wave continued to gain in popularity on the music scene in '82. "Rockabilly", a danceable 50's style music, was introduced to us, most popularly, by the Stray Cats. Men At Work, Missing Persons, The Clash, and the Go-Go's also added their different approach to music last year. Other acts, such as Pat Benatar, Fleetwood Mac, John Cougar, and Motley Crue remained popular with their clean, established rock sound.

With new fads, surprising news, and popular music, 1982 was most definitely a year to phone home about!

On December 3, a wide variety of alumni basketball players from MSHS gathered in the auditorium to test their skills against the promising Mary Star Varsity Basketball teams. The girl's team playec first, followed by the boy's team. Although the alumni lost in both games, it was a fun-filled night of excitement and laughter for all those who attended. The spirit and enthusiasm of the parents, alumni, and the students once again brought the family of stars closer together.

1. "Let's hold hands." 2. "It's only another game." 3. "It's in again Pigmey." 4. "Conceited Coach — she loves herself." 5. "Through the hoop that basketball did swoop." 6. "It's mine!" 7. "What are we playing here — football or basketball?"

The Mary Star Varsity basketball teams were always shining brightly. The stars were even shining at 6:30 a.m. on Sunday, December 12, as the Varsity Cheerleaders kidnapped them from their peaceful sleep and cozy beds to take them to a tasty, home-cooked breakfast.

1. "Let's scarf!" 2. "Where were you last night Craig?" 3. "Good morning boys and girls!" 4. "Devon, it's a party!" 5. "Me and all my friends." 6. "It's too early in the morning."

The first big Powder Puff football game took place at San Pedro Park. The ferocious Freshmen defeated the spirited Juniors with a score of 19 to 0. Outstanding Juniors were Kelly Busia, Antoinette Cortez, Reneé Marinkovich, and Jenny Sova. Freshmen, Gina "Bruiser" Martinez, and Tonia "Animal" Reynolds supplied the power for their team.

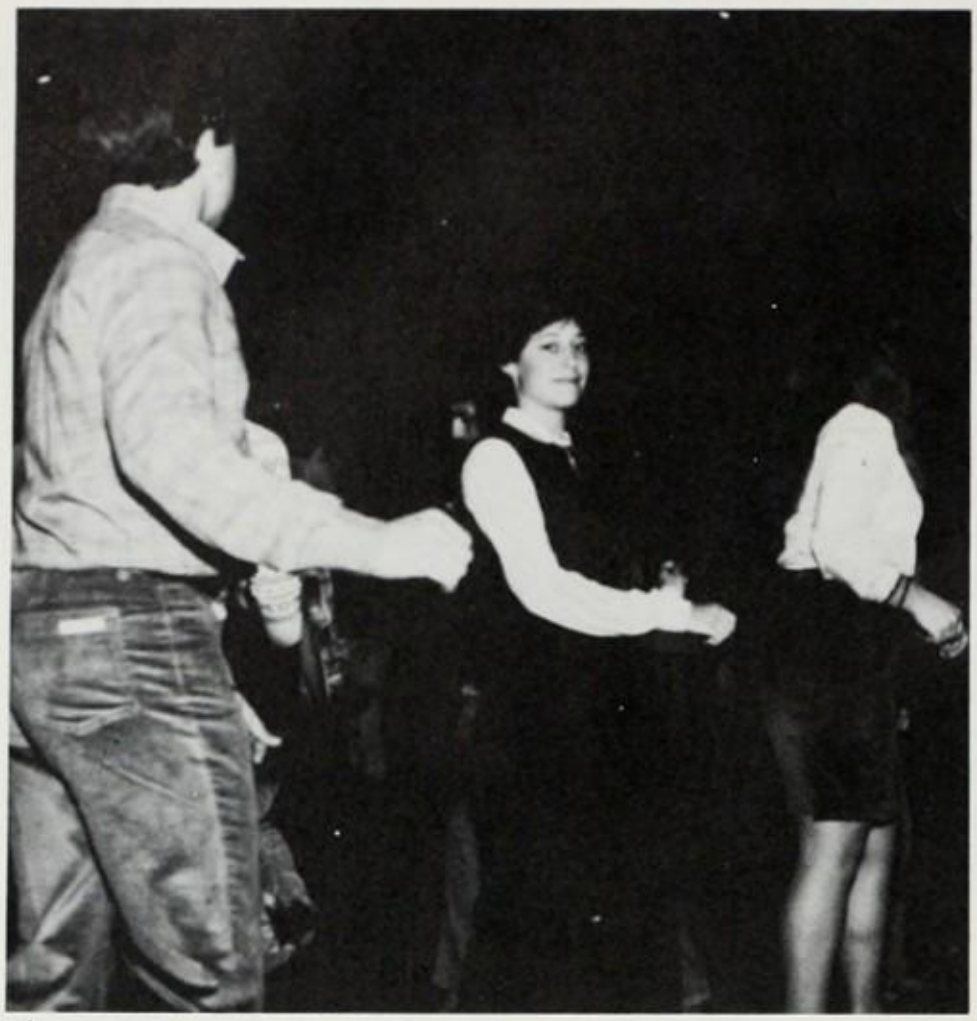
The Sensational Seniors and the Super Sophomores finally met forces on Tuesday, December 14, at San Pedro Park. The Seniors defeated the Sophomores 18 to 7. Standouts for the Sophomore team were Jackie Duhovic, Maureen Fiamengo, and Kathy Shultz. The Seniors, with only seven girls on their team, were all outstanding. The Seniors went on to defeat the Freshmen in the playoffs on Jan. 6.

1. "Gloat now, but who won!" 2. "The Sensational Seniors awesome kick-off team." 3. "Denise scrambles for the necessary yardage." 4. "Well Joey, what the heck am I supposed to do?" 5. "Even Melissa's skill can't stop Jackie's speed!"

'Tis the Season to Rock'n Roll



Contrary to what you may believe, Mary Star is more than just studying. Every month a dance is organized by a club or school organization. On December 10, the O.P. Corps took charge of the Christmas dance for the purpose of raising money for a Christmas party for the Toberman Settlement House.

The gym was festively decorated in the colors of Christmas. A very jolly Santa Claus was available for picture — taking.

1. Nancy D'Ambra and Tony Orlando dance to the music of the D.J.. 2. Santa gets a lot of attention from the girls. 3. Diana Andersen and Gemma Russo are part of the greeting committee as they take the money for entrance. 4. Maria Frka shows everyone that she's a "wild and crazy kinda girl!"

T'was the Week Before Christmas

Along with the annual hustle and bustle brought on by the holiday season, students took time out to participate in the decorating of classroom doors. Each second period class, with the encouragement of the faculty, used their imagination to create doors that depicted the festive spirit of Christmas. The first place door was awarded to Mrs. Kaloper's Clothing class.

1. Sr. Helene's English Literature class constructed a Christmas tree from tissue paper and glitter. 2. The first place door: a cheery fireplace adorned for the holidays. 3. Mrs. Ciketic's Marriage class decorated their door with a Santa Claus in uniform quite different than we usually see. 4. Mr. Markey's office door, gift wrapped and tied with a bow.

Blow, blow, thou winter wind,
Thou art not so unkind
As man's ingratitude;
Thy tooth is not so keen,
Because thou art not seen,
Although thy breath be rude.
Heigh-ho! sing, heigh-ho!
unto the green holly:
Most friendship is feigning,
most loving mere folly:
Then, heigh-ho, the holly!
This life is most jolly.

Freeze, freeze, thou bitter sky,
That dost not bite so nigh
As benefits forgot:
Though thou the waters warp,
Thy sting is not so sharp
As friends remember'd not.
Heigh-ho! sing, heigh-ho! unto
the green holly:
Most friendship is feigning,
most loving mere folly:
Then, heigh-ho, the holly!
This life is most jolly.

On December 16, the O.P. Corps held their third annual Christmas party for the children of the Toberman Settlement pre-school. Anthony Scovotto, dressed as Santa Claus, distributed bags filled with toys to each child. Punch, candy, and home-baked cookies were served.

Profits from the Christmas dance, which was sponsored by the O.P. Corps, were used to buy the toys for thirty-eight children.

The party and gifts brought great delight to the children and is one of many activities organized by the O.P. Corps.

25 FAITHFUL YEARS

Mrs. Maryann Tavernier began a lasting friendship with Mary Star of the Sea High School back in 1958 on January 6th. Twenty-five years later, this friendship has nurtured into an everlasting bond of wisdom for all who have encountered her warmth, grace, and charm.

This year the priests, sisters, faculty, students, and alumni applauded as we payed tribute to this rare individual who has given numerous hours of herself in dedicated service to the fostering growth of Catholic education.

It is not quantity of time or endurance of efforts which made an individual stand out from her peers. It is the quality which imprints itself into the minds and memories of all that never goes forgotten.

We are a community of individuals giving credit to such a woman. It is truly a remarkable talent which we all admire, long to achieve, and a privelege to have accomplished for others to see.

As the years continue to pass, look not into the past, for you have only achieved a beginning. Continue to grow and perceive to the future in forming new beginnings, for is it not a truly wonderful feeling in knowing you will always be remembered with wonderful memories, beautiful words, and kind affection, than to never have been remembered at all?

On behalf of the student body at Mary Star of the Sea High School, we would like to congratulate you on such an honor. "HAPPY 25th ANNIVERSARY Mrs. TAVERNIER!"

THE CHOSEN ONES

Remember those elections we had at the end of last year to elect this year's class officers? Well, although they were immediately followed by those lazy, hazy summer days, these newly elected officers were put straight to work on the Fiesta. From then on the action never stopped. Dedicated, willing, and able, each of these super individuals spent many hard-working hours to promote, help, and organize assorted activities for each of our classes. Ranging from the regular monthly meetings to assisting on the evaluation of our school last Fall, these eager students were persistent in whatever problem they had to tackle.

Although each officer worked hard for each of their classes, they also worked together in many projects. Along with the administration, Mr. Markey, and the A.S.B. these qualified officers were not only great friends, but excellent leaders.

AMBITIONS OF '83 AND BEYOND:

For those who participated in the 1983 Senior Retreat, it was an experience to be remembered. The Sacred Heart Retreat Camp in Big Bear was the site of the annual retreat, held this year on February 1, 2, and 3. Fifty-four Seniors left on a Tuesday afternoon for the show covered mountains. Miraculously, they made it there in one piece. (Even with Jim and Dash as their bus drivers.)

For two days they prayed, sang, cried, ran from killer dogs, and played in the snow. It was a unifying experience as well as a shocking one to see one another in the early morning light, especially since there were too few plugs for hair dryers, curling irons, and coffee pots.

The activities were organized by Father Larry, Sister Joan, Mr. Markey, Mrs. Sutlovich, and Mrs. DiLeva. Talent night provided an array of hidden — but obviously not hidden well enough — talent. Some of the performers were: Joe "Mr. Excitement" Sinagra, Pete "Take It Off" Boskovich, and Missy and Krissy with their weenie gang.

Special moments included the exchanging of Kris Kins, letters from teachers, and the "I'm Sorry" talk. We want to express our thanks to all who helped make this retreat a time that will always be a cherished memory.

A RETREAT TO REMEMBER

When you look to the sunrise think of me;
When you look to the sunset thing of the class of '83.
We came together so far apart;
Now we go, holding each other close to our hearts.
We came in strangers,
Now we are leaving as friends.
And please remember,
When you see a sunrise, always remember me;
And when you see a sunset, remember the retreat of '83.

REMEMBER

Remember the days
Up in the snow
All of our friends
And no place to go
Singing and praying
All through the day
Makes you feel glad
That you got away
Treasure these memories
Deep in your heart
Knowing we're good friends
And will never part
But the time must come
When we all go home
But never forget
You're not alone!

Ski Club Travels to

On February 10, thirty-one members of the Mary Star Ski Club boarded the bus that would eventually deliver them, ten hours later, to Alpine Place in Lake Tahoe, California.

After a one mile hike, for lack of a ski shuttle, we finally arrived at the slopes. The scenery was beautiful and the conditions were excellent for skiing on the first day. The hard core skiers braved a blizzard to get in a second day of skiing. However, the fun that was had off the slopes more than made up for this; snowball fights, sledding, card tricks, and avalanches all helped to occupy our free time.

The chaperones, Mr. Nicholls, Mr. Markey, Mr. Burke, and Rick Robles, along with Jake, the bus driver, helped to add life and excitement to the trip. They participated in all the activities, and had a great time.

The drive home was a long one, but Mr. Nicholls kept us all entertained by reading "Real Women Don't Pump Gas" to an appreciative crowd.

Stopping on the way home in Sacramento, cruising around the Capitol Building and visiting Old Sacramento helped to break up the monotony of the twelve hour trip. The Sacramento stop along with Ann's "Stop the bus Jake, it's moving!", concluded a fun trip.

Work, Work, Work. Mary Star students not only kept busy with school and activities, but many also had part-time jobs. Whether pushing shopping carts or selling merchandise, these young people got into the "real world" and made "real money." Earning their own money, these young enterprisers got an early start on learning to save, budget, and most importantly to spend their hard earned cash. Although the teenage employment scene was pretty bleak, in most cases anyone desiring a job usually found one.

O. P. Corps Stages Bloodmobile

February 23 marked the day of the ninth annual Bloodmobile held in the Mary Star Auditorium. Recruiting began weeks before the actual day by members of the O.P. Corps. Students, family, and friends were encouraged to donate a pint of blood. The famed Red Cross slogan: "Save a Life, Give Blood" could be seen everywhere on posters around campus. The goal of 80 pints of blood was surpassed by six.

One week prior to the Bloodmobile, an assembly was held for the students and faculty promoting donation of blood. Talks were given by Brenda Stevenson, a Red Cross worker, and Mrs. Rich, who is on a kidney machine and is in need of blood often. The assembly helped clear any confusion and answered questions about donating blood.

On the actual day of the Bloodmobile, those brave and courageous enough to give blood were seen in the auditorium biting their nails and ready to bolt out the door any second (with some exceptions). After the initial prick of the needle, though, the act of donating blood wasn't so painful. Home baked cookies and orange juice were served after the ordeal to regain strength.

The day finally came. On February 25, 1983, the Junior Ring Ceremony was held. It was later in the year this year than last, which brought about more excitement and enthusiasm. Suprisingly enough, each Junior was dressed in the "classy" colors of pink and grey, EACH AND EVERY JUNIOR! The Class of '84 with the theme "Juniors — Moving Forward . . . As One," processed down the main aisle with Sylvia Bauer and Janell Zuliani bringing up the rear on their crutches. (Everyone sure got a big kick out of that one!) As snapshots were taken, the Junior Class realized that this was something just for them, a ceremony held in their honor. Growing older together, we share the process of "experience" with one another. When Cardinal Manning blessed the rings, our class unity became an individual realization. After the ceremony, the Juniors had lunch, put on by the Sophomore Class. We shared our rings and watched a slide show put on by our class officers, showing slides of friends. The day was a complete success because of the hard work done by the class moderator, Mr. O'Keeffe, and the Junior Class officers, Vito Russo, Wendy Redlew and Renee Marinkovich. Thanks for making the day so special!

It is a symbol of love for us to express,
The Junior rings that have been blessed.
It has brought out the oneness we share as a class,
As we joined together in this special mass.

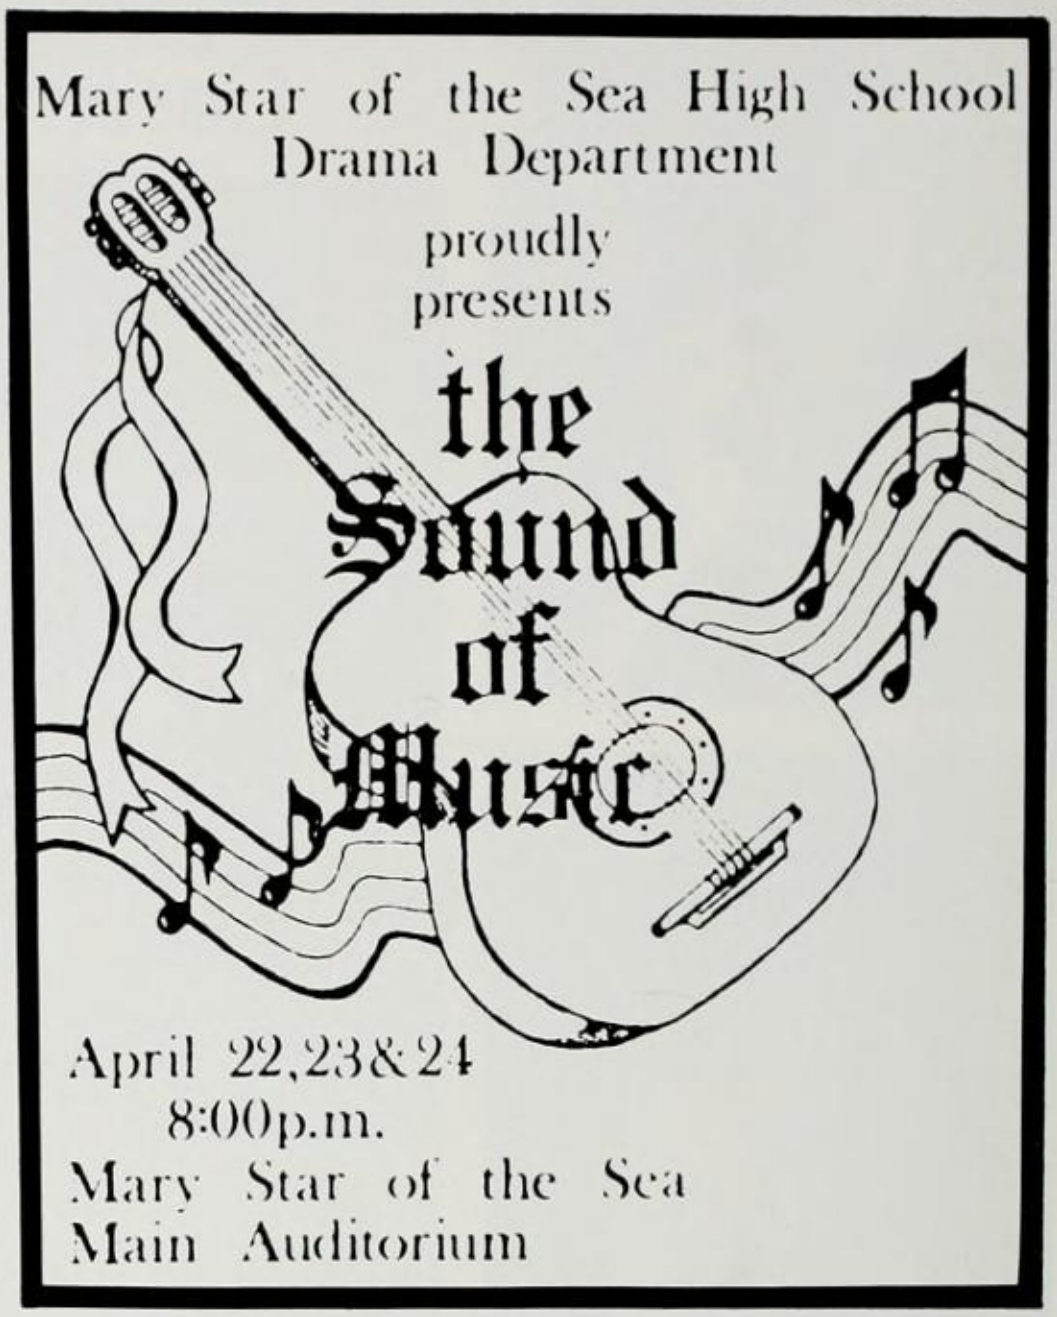
"THE SOUND OF MUSIC" IS PRESENTED BY AN ALL-"STAR" CAST



On April 22, 23, and 24th, the Drama Department staged the musical "The Sound of Music." The cast included students from every grade level. Also included were local children who held the roles of Kurt, Gretl, and Brigitta. Months of hard work by actors, actresses, and stage crew proved worthwhile to everyone involved. More elaborate set design was a challenge to the stage crew and director Mr. Joseph L. Cottone.

Clubs Experience Fun

From the traditional "Join A Club Week" in early September, to the end-of-the-year parties in June, we the students of Mary Star of the Sea High School, satisfied our needs "to belong." There were the clubs oriented towards our favorite hobbies (such as Home Economics Club and Ski Club) and of course band which provides endless hours of music compared by none. Still others, like CSF and NHS, focused on the need for academic achievement and high standards of learning.

The Student Government (ASB), Pep Squads, and performing arts played an inherent role in the school's calendar. Service Club (O.P. Corps) emphasized the need for helping others who are and have become less fortunate than others. With the wide range of choices, there was spirit in the air, and an all-time high attendance in extracurricular activities for 1983 . . .

VARSITY CHEERLEADERS & SONGLEADERS

This year there were 17 girls cheering for all the varsity sports. Besides the 10 Varsity Cheerleaders, a new addition was added to the Pep Squads. The very first Mary Star Songleaders made their appearance this year with their bright gold uniforms and puffy pon-poms. The 10 Cheerleaders combined with the 6 new Songleaders and new Mascot, Maria Frka, added up to a total number of 17 girls working together to promote spirit and enthusiasm throughout the school and at all games. The captains of the Cheerleaders, Laurie Bogdanovich and Gina Katnich, and the captains of the Songs, Melissa Rados and Kristy Peters, worked together supporting all athletes and tried to create interesting Pep Rallies for the entire school. The combination of the Cheer and Songs was beneficial to school spirit and hopefully will grow stronger through the years.

JUNIOR VARSITY CHEERLEADERS

The Junior Varsity Cheerleaders consist of 8 members. They were led by their captains Jeanna Dragich and Robyne Freels. The J.V. cheerleaders cheer at all J.V. sport events. All cheerleaders do many things for our athletes on game days, such as make locker decorations every week, bring them candy or lunches, and decorate their houses for special game days.

Other members of the J.V. squad are Jocelyn Batad, Cynthia Torrez, Renee Marinkovich, Terri Buono, Tara McArdle, and Cathy Fiamengo.

FLAG TEAM

This year's Flag Team dazzled us with great half time performances. Their bright new uniforms and flags contributed to the overall excitement of their routines. Their captains, Antoinette Albano and Sandi Frka, led them to U.S.A. spirit camp this summer where they took 3rd place in competition and they brought home a Superior trophy. The rest of the squad consists of Amy Hershman, Peggy Biazevich, Kim Kunich, Raeann Padilla, Janell Zuliani, and Tracy Walther.

DRILL TEAM

This year's Drill Team consisted of about 40 members. The Drill Team was one of the largest ever at Mary Star. The Colonel — Betty Lazaro, and the First and Second Captain — Joyce Donato and Mary Vilicich led the squad in many fine and entertaining half time performances. The Drill Team also came in second place in this year's San Pedro Christmas Parade.

BAND

The Mary Star High School Band has now been in existence for four years. Under the direction of Mr. Joseph L. Cottone the Band performs at all important games and at all Pep Rallies. They also perform at special school events such as the Scholarship Awards Dinner, Mrs. Tavernier's Anniversary Reception and other such events.

ASSOCIATED STUDENT BODY

The Associated Student Body works hard all year long to try to create a spirited and fun filled atmosphere throughout the entire school. Starting out the year with fresh ideas and hopes, the A.S.B., by applying new ideas with old, organized many interesting activities that the whole school could take part in. Some of the projects that the A.S.B. organized were Homecoming Week, dances, Mrs. Tavernier's Anniversary Mass, a Christmas breakfast for the faculty, the Cardinal's reception, lunch time activities, and much more. The moderator for the A.S.B. was Mr. Patrick Markey and later Mr. John Kinkella took over this position. The A.S.B. officers proved to be a very closely knit family, all working together to better the school.

T.M.S.C.G.

The Mary Star Chess and Game Club promotes fellowship through playful competition and the sharing of skills and interests. We believe in fun, sportsmanship and, if caught — a sense of fair play. The officers of the Mary Star Chess and Game Club are Mike Wadelton, Oscar Huerta, and Vicky Stosel.

SKI

This year the Ski Club proved to be one of the most popular clubs on campus. Mr. Nicholls, president Paula Hussey, and vice-president John Vilicich organized a number of activities for their many members this year. On December 7, 1982, the Ski Club spent the day skiing at the Goldmine Ski Resort and to top the year off they took a four-day skiing excursion on February 10-13 to Lake Tahoe.

SURF

The Surf Club is one of the new clubs on campus. Moderator of the Surf Club is Mr. Joseph Cottone, president is Chip Mezin, vice-president is Joe Gasperov. Other officers are Janell Zuliani, and Rich Collins. During the winter, the club activites are a little slow, but as the weather gets warmer and the waves are good, it will be a happening club! Some of the rules of the club are "Locals Only" and "No Kooks."

DRAMA

At Mary Star, Drama is not only a club, but also a department. Drama club involves students at every grade level. Drama club activities include the production of Moliere's "The Miser" during the Fall semester, the selling of Santa-grams before Christmas, a "Farewell-to-M.A.S.H." dance during February, and their spring musical, "The Sound of Music." Moderated by Joseph L. Cottone, the Drama Club is closely associated with the Mary Star High School Chorale and Band. Club officers are Andrea Amalfitano — president; Paul Hobus — vice-president, Robert Koval — stage manager, Wendy Redlew — secretary, Joe Dukesherer — treasurer, Laurie Bogdanovich — publicity.

QUILL & SCROLL

Quill and Scroll is an International Honorary Society for High School Journalists. Students who are involved in the Yearbook are eligible for membership. Stars in Motion

Breaking new pain barriers everyday, an athlete's life is never easy. The conditioning, training, the endless hours practicing, the sore muscles, and the "dinner, study, and bed" routine, required out of sheer exhaustion. Why?

Because of the physical agility, the stamina, the perseverance, the team work and the fun (yes, there is that too), but most of all because of the thrill of competing. Perhaps that is why Mary Star maintains a winning reputation — it really is how the game is played. From the players, to the coaches, to the fans, there is nothing like the thrill of competition.

Being Number One

In areas of competition, Mary Star of the Sea High School offers an extensive athletic program which strives to be number one. Coaches, staff and players work hard each year to obtain this goal. Among the various organizations of the program, Cross Country became a reality after years of planning. Endurance, hard work, and the desire to be best were the major drives behind each individual who participated.

"The most exciting moment of the school year was Crest Road during Homecoming '82."
Kathy Radisich

"To me Mary Star is like a warm, loving family."
Sr. Dorothea

The Mary Star Football team of 1982 was not high on winning. It was hard for the team to sustain last year's winning streak because there were few returning lettermen.

The team's major strong point was its defense. Consistently throughout the year, the Stars relied on defense specialists Jerry Duhovic, Joe Cortez, Joe Dragich, Vince Andrie, and the Mary Star Sack Exchange — Mario Montoya and Andrew Linares.

Offensively, when the going was tough, the Stars gave the ball to 5'9", 155 pound Junior running back Bobby Gonzales. He took the ball 88 times for 881 yards rushing. He also had seven touchdowns. But quarterback Joe Cortez did not always hand-off to Bobby. He liked to take to the air. During the year he had 42 completions for a total of 551 yards. His favorite targets were Mike Giardino and Trace Parham, who both caught eight passes, and Nick Uruburu.

Although the team failed to make the play-offs, next year it will have 18 returning lettermen with at least one year's experience behind them. This should put the team where it belongs — back in the play-offs and challenging Verbum Dei for first place once again in the Camino Real League in the 1983-1984 football season.

Mary Star's Junior Varsity Football team headed by Coach John Tousseau had a respectable 4-5 record this year while finishing in 3rd place in Camino Real League action.

The Offensive Backfield was comprised primarily of quarterback David Felando and running backs John Kunich and Bernie Perri. John racked up 450 yards in his freshman year while freshman sidekick Perri was good for getting tough, short yardage.

Felando's arm also put on a show. For getting long yardage in a hurry, he passed to wide receivers Mike Kelly and Theron Ellenburg.

On defense, the team depended on lineback Mickey Henderson, defensive tackles Mike Saluzzi and Andy Muniz and Shawn Robinson.

Stars Take to the Air

Under the direction of Coach Liz Simon, the Mary Star Girls Varsity Volleyball team took third place in the Camino Real League. This marks the fourth time out of five years that the Stars have made the playoffs. Early in the year, the Stars placed fourth in the Valley Christian Tournament. Finishing with a 5-5 league record, the Stars were led by the vicious spiking of Senior Michele Ogle, and the smooth setting of Sophomore Danielle Carrolle. Contributing to the Stars success was the all-round playing ability of Junior Melanie Jones, and Sophomore Jackie Duhovic.

JV's Learn From Experience

7

Accustomed to coaching on the Varsity level, adjustment to the Junior Varsity was a challenge for Sandy Simich. "The difference is teaching the girls the rules and fundamentals of play, opposed to working with girls who already knew how." Made up of mostly inexperienced Freshmen, this was truly a learning year. The big thrill for the J.V.'s came early in the season when they defeated St. Bernard. Junior Cindy Karmelich was the main setter for the Stars, and Freshman Shawn Brunson showed most progress throughout the year by moving up to Varsity and playing in their playoff game.

Mary Star fulfilled their dream of starting a Cross Country Program this past year. Headed by Co-Coaches Gennaro DiMassa and Mike Moretine, runners met at Peck Park on September 1st, a week before school began. Nine days later Mary Star had their first win at their first meet against Cantwell by a score of 23-33. From there, Luis Pinon won his first six Cross Country meets by reasonable distances. Often finishing right behind Luis were seniors Bert Gomez and Scott Holzbauer. Supporting these three runners were underclassmen Joe Barile and Tim Braheem.

Varsity Has Very Successful Season

Guided by 2nd year Varsity Coach Charles Johnson and his assistant coaches, Kenny Johnson and Jeff Johnson, the Boys' Basketball Team won the Camino Real League "B" Division with an 8-4 record.

The team depended on Craig Johnson, who led the team with 20.8 points a game. He also reigned the team in assists and steals. Paul Hobus was another team leader on the floor, using his height to advance the team in rebounds and blocked shots.

During the course of league play, opponents tried to cut down on Craig and Paul's abilities. But another Star emerged by the name of Richard Aceves. Rich had a season high of 17 points against St. Monica. Also emerging on the scene was "Jumpin" Joe Dragich, who played exceptional defense.

Next year, Coach Johnson will be depending on Mike Doktorczyk and Paul Gaines to lead the team to the half-pennant.

These two players were among the team's leaders in points and rebounds and should take the team to the division title again.

J.V.'s Believe in Themselves

Although the J.V.'s finished with a 7-13 record this season, the players had a change of attitude from the beginning of the season to the end. At the beginning of the season, players were holding back. After a couple of close games, the team changed their attitude when they beat Serra, 53-45.

Led by the two big men, John Basich and Rob Doktorczyk, their attitude changed from negative to positive. Working the ball inside, Basich scored in double figures every game. "Little Doc" played exceptional defense while co-captains Nick Uruburu and Jim Bobich showed great leadership on the court. Off the bench, JW often called on Tim Braheem, Lilo Aguello, and Eric "Kyle" Klepl.

The bench played an important role in a late season victory over the St. Monica Mariners.

Four players fouled out as the bench kept the Stars on the victory side, 60-58.

Coach Jim Wetmore felt that his players had a learning experience — both mentally and physically — this season. Although the team had a losing record, each player now has a winning attitude which should stay with him for years to come.

Freshmen Struggle Through Tough Year

The Freshmen finished with a 1-19 record this season. Although the year was bleak, the team did have it's moments, as when it beat LA Lutheran, 53-28. The team was led by Jeff Nelson and Robbie Lorenzi, who were the 1-2 punch for the Stars. The team was coached by Mike Moretine and Rick Bruce.

Plagued by injuries, the Stars slid into a losing streak. The Girls' Varsity team finished the season in fourth place in The Camino Real League with an 11 and 10 overall game record. The girls' junior varsity basketball team had a rough season this year. First, co-captain, Deann Papadakus, dribbled into the lime light of the Varsity team. Second, the Stars were plagued with injuries. Three of the ten players were on the disabled list by mid-season, and three others followed close behind. Finally, our team consisted of a sea of new faces — eight of the ten players were freshmen. Putting these handicaps behind us, our team amazingly managed to finish third, even though we were forced to play with four players in some games. Standout players on the team were: Co-captain, sophomore, Jenifer Dzida, averaging 10 points a game, and freshman Tonia Reynolds, running the team from her point guard position.

Men's Volleyball Part III

This year's volleyball team has three returning players from last year. Danny Stevens and Steve Trainotti are co-captains for a team that features a new head coach, Pat Mitchell. By being loose and laid-back, but disciplined, the team should have a spectacular season.

Varsity Shooting for Title

The type of season that Mary Star has will depend on finding one more established pitcher and getting timely offense. In a league where just about any team can finish in first with a bit of luck and skill, Coach Des Walker feels that with three returning all-leaguers and a great infield, Mary Star can be that team.

Coach will be depending on Richard Castro, Joe Cortez, Bobby Gonzales, Roman Meacham and Art Herrera for getting the big runs. On the mound, Cortez again will be counted on.

If the players produce, this season will be exciting and profitable for all Star fans.

Rain, Rain, Go Away

Due to bad weather, the girls' softball team was off to a slow pre-season start. Heavy rains that drenched fields made practicing impossible and postponed tournament games. But the future looked sunny for the Stars! With returning players such as ace pitcher Regina Gray, a Junior, and "on-the-ball" short stop Michele Ogle, a Senior, the Stars were sure to capture the Sunrise League Softball Championship. Quarter finals — here we are for a third year in a row!

Back on the Chain Gang

Because of the downpour of rain (the worst storm San Pedro had seen in a long time) the JV and Freshmen baseball teams weren't able to be photographed because of this unfortunate turn of events.

We apologize that they aren't in this year's book. We hope their season was a successful one.

Being a member on a team involves willingly giving 100%, projecting team spirit, and remaining a unified squad. Each team works separately from every other team, such as JV's from Varsity and boys from girls. Yet we are all playing to represent the same school and here we show that even though we play a different sport — we play as One!!!

The 1983 Stella Maris Staff chose an appropriate theme in creating this, the 26th edition of the annual. Members of the class studied basics of yearbook jounalism and then applied them to the actual production of the book. Stella Maris Editor, William Weeks and Advisor, Mary Montgomery planned and organized unique layouts and pictures which portray the atmosphere held by the students at Mary Star.

To insure this goal, the yearbook was expanded by the addition of fifty pages . . .

"May We Always Cherish the Friendships

Mary & Yearbook Staff:
We became a family of friends sharing laughter and tears, accomplishing hopes and dreams never sought before, and bonded together in close friendship of a life-time or so it seems.

All rewarding experiences must gradually come to an end. Thank you for the memories and treasured moments we shared as one.

Though at times I may have been hasty in judgement and often hot-headed, vicious with some, I was concerned for the quality and uniqueness we were producing in this the 26th edition of the Stella Maris. Your dedication, determination, and fine efforts have proven successful in tieing together the beauty and warmth of the "true spirit" of MSSHS.

TO THE SENIORS:
"Time past so quickly, but memories last forever . . ." May we always continue to hold our "AMBITIONS" high and prosper by them.
TO THE JUNIORS:

Bill & Yearbook Staff:
At times I didn't think we would make it. But here we are — published! And now, looking back, our differences of opinion, our downs and worries don't seem nearly as important as they seemed at the time. I tried so hard to think of something memorable to write here — something to tell each of you (but Bill only gave me this little itty bitty space!) . . . all that comes is a flood of love, accompanied by tears. I love each of you. How could we have survived without Bill's unceasing determination? Brynn's laughter, Maria's enthusiasm, and Marie's camera? Each of you are special and talented people. Juniors, keep a cropper handy!

Mary Star: A Vision of the Future

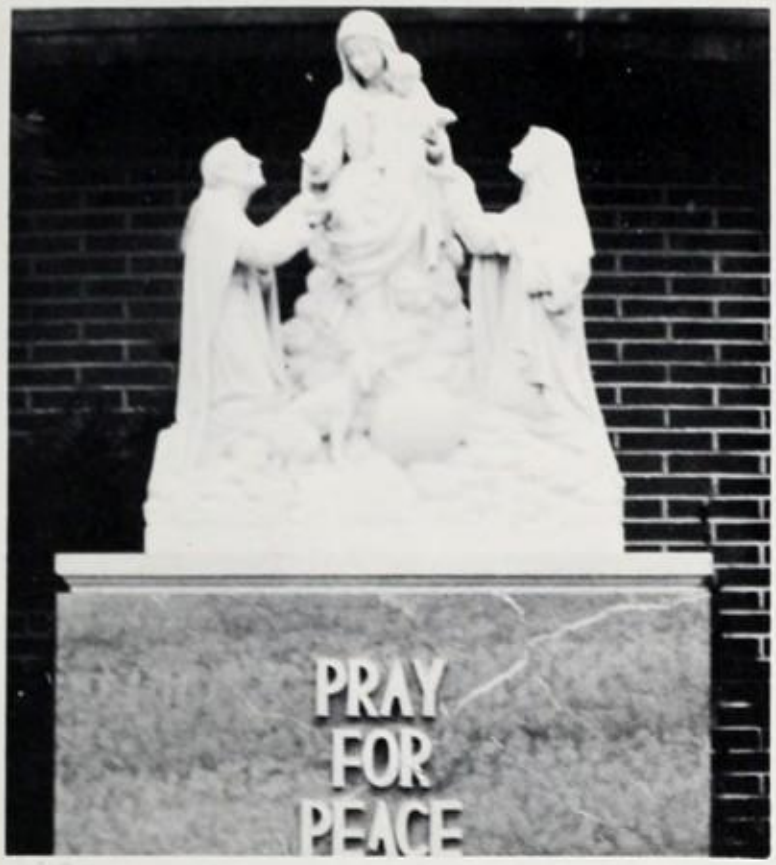
"Mary Star of the Sea High School is a Catholic educational community which seeks to further spread the message of the Gospel by means of an educational apostolate . . ."

Creating an environment which strides to become rewarding for every individual who seeks an education, Mary Star of the Sea High School continues to be a guiding "light" as it enters its third decade being an academic and athletic institution. For many people "Mary Star is like home — a place of security and serenity." For others "Mary Star is a family consisting of unique personalities representing the "spirit and pride" in which the community of San Pedro has long been admired." Still, others associate the students being the foundation or backbone of the atmosphere.

As time progresses, education provides a kaleidoscope of new and challenging visions of learning, — each exhibiting various spectrums of knowledge. Mary Star continues to enhance its physical and spiritual characteristics surrounding its courses each year. Organizing creative programs which establish a sense of responsibilty admist the students, Mary Star has fulfilled its perpective goals through the use of community service.

"Looking into the glass orb, I see the yearbook staff with bald heads (because they've pulled each others hair out) . . ."
Ms. Mary Montgomery

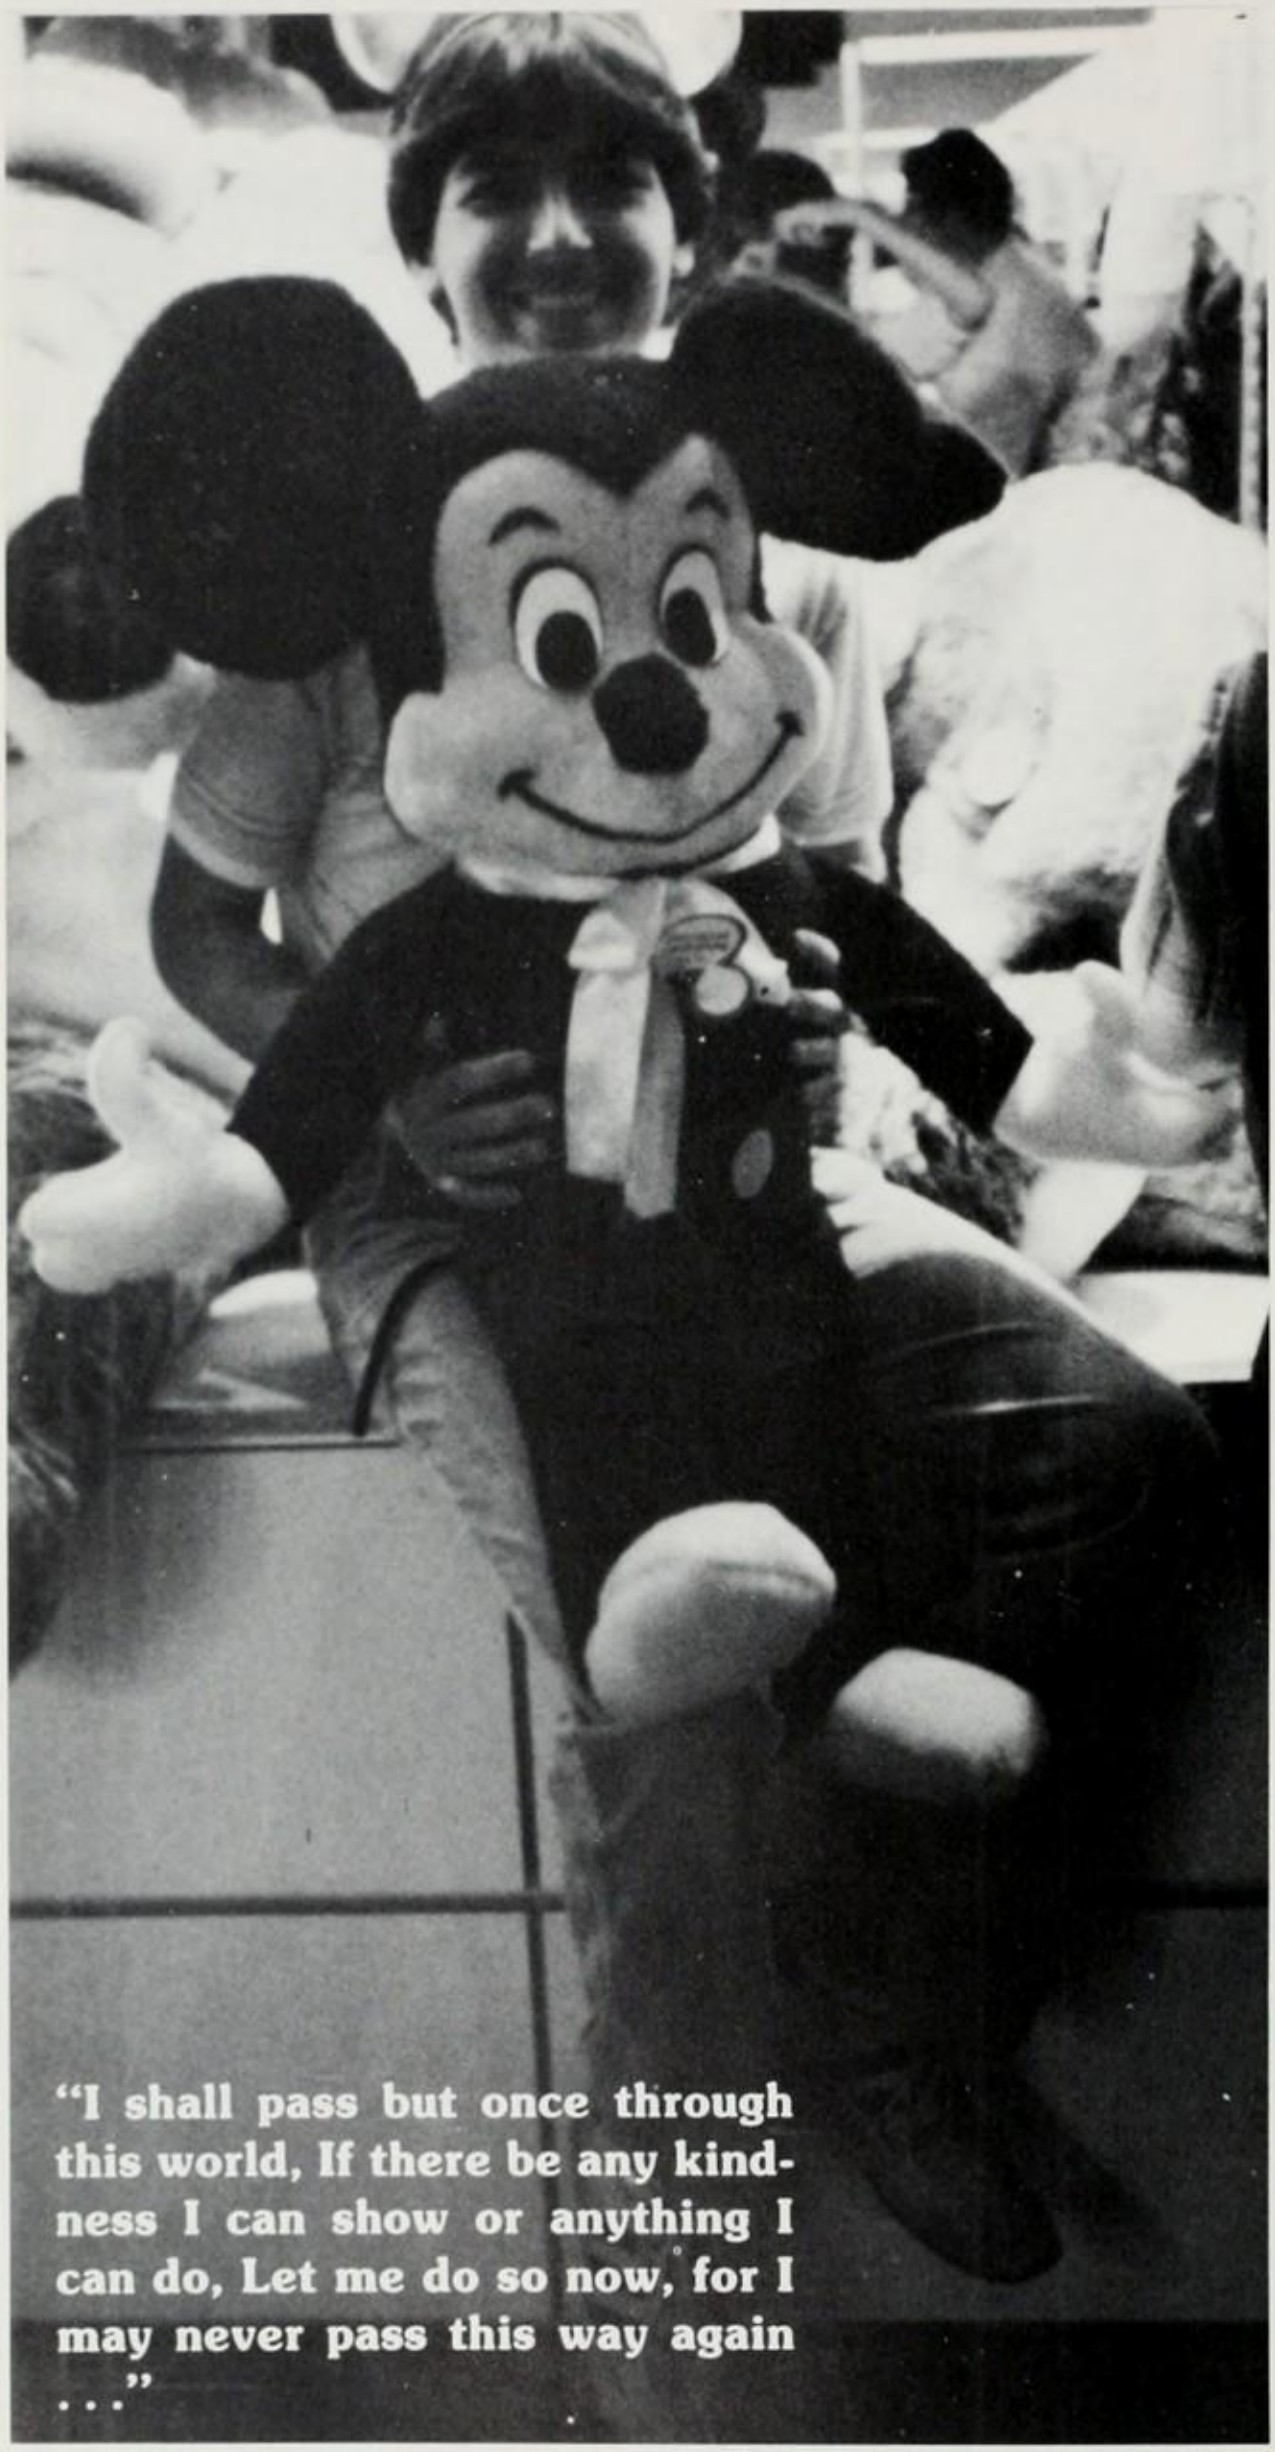
Mary Star of the Sea High School will continue to extend educational services as long as there are thirsting minds and souls wanting the need of knowledge.



"I see more friends and good times, and "HAPPENING" Senior Classes . . . Nothing will beat the Class of '83"
Melissa Rados

"I see in Mary Star's future a continued higher academic standard and a broader awareness of community educational services . . ."
Ms. Diane Gould

"In the future of Mary Star of the Sea High School, I see a family of faith, a community of friends, and a spirit of caring for one another that endures from class to class and lives in the memories of all of us associated with her . . ."
Nancy Redlew



"I shall pass but once through this world, If there be any kindness I can show or anything I can do, Let me do so now, for I may never pass this way again . . ."

Mary Star of the Sea High School provided me a challenging opportunity in creating a yearbook which would envision the dedication, ambitions, and enthusiasm of its students. "An Adventure Among the Stars" portrays such qualities shared by this unique school.

With sincere appreciation and gratitude, I wish to thank:

Principal Father Loomis for extending his love, concern, and wisdom in times of doubt and worry . . .

Mr. Patrick Markey for his understanding, support, and *friendship* . . .

Mrs. Nancy Redlew for her time and generous cooperation she bestowed unto me . . .

Father Lawrence Bartesavich in guiding me in times of darkness (You've given me the courage I need to live on) . . .

The Administration and faculty for their help and continuous support . . .

The Stella Maris Staff . . . "You are truly friends I will never forget" . . .

Sr.Dorothea, Mrs. Munoz, Elaine Bersano, and Mrs. Tavernier for their patience, love, and faith which has been such a part of my spiritual growth . . .

Mr. Steve Eddy from Taylor Publishing Company . . .

The advertisers and patrons whose donations made possible the publication of this annual.

My family for providing me with such a beneficial and rewarding education . . .

and Photographer Thelma Zaunich.

*Mary Montgomery . . . Thank you for a year filled with endless excitement and fun-filled moments. May you always have joy in your heart and love forever . . . *I will truly miss you!!!*
